

A Call for Symposia

SUBMISSION DEADLINE 14 OCTOBER 2011

The International, National and Local Organising Committees are seeking submissions to hold educational and scientific symposia during the 7th World Congress in Melbourne, Australia. They seek symposia on the following topic areas

- ▶ **Innovation**
- ▶ **Service delivery: Improving quality of care**
- ▶ **Research methodology in neurorehabilitation**

Symposia on other topic areas will also be considered.

Instructions for Symposium submission in the Scientific Program

Instructions for submission are available online at www.dconferences.com.au/wcncr2012 and include:

- ▶ **Details of the Chairperson and up to 3 presenters**
- ▶ **Discussion of symposia content (max. 200 words)**
- ▶ **Target audience**
- ▶ **4 key learning objectives**

- ▶ The nominated chair of the symposia will be responsible for collating and online submission of all session material and for subsequent communication with the Conference Secretariat
- ▶ The Chair will nominate speakers and titles for each presentation in the session. Individual abstracts from presenters are not required.
- ▶ The Chair will complete the symposia application form online via the website, giving names, contact details and short biographies of all presenters in the session.
- ▶ Symposia will be assessed under a peer review process by the WCNR Program subcommittee and successful symposia will be allocated 90 minutes within the conference program.
- ▶ Notification of acceptance or otherwise will be made by 3 December 2011.

All Symposia Presenters and Chairs will be expected to register for a minimum of one day for the Congress by the Early Bird Registration Deadline 15 February 2012, or the Symposia will be withdrawn from the program.
